DIVISION OF PROFESSIONAL CREDENTIAL PROCESSING BUREAU OF HEALTH PROFESSIONS

IMPORTANT INFORMATION

Applicants, recruiters and institutions and others involved in the placement of individuals who seek to be credentialed in the state of Wisconsin should understand that the credentialing process **may take anywhere from 30 to 60 days**, and that credentialing is not guaranteed to any applicant. Some factors that determine the length of time it may take to process an application depends on the length of time the applicant has been in practice, the total number of jurisdictions the applicant has been credentialed in and the length of time it takes for supporting documents to be received in the board office and reviewed.

The application consists of an all-inclusive packet with instructions and information on all applicable requirements. We attempt to process applications in a timely fashion. We cannot issue a credential until all the required documents have been received and reviewed in the board office. It is the Department's legislative mandate to provide consumer protection for Wisconsin residents.

The Bureau and the Board have been prevailed upon to waive requirements to expedite the process, only to discover legitimate grounds to deny a credential. This can present a serious problem for the applicant, recruiter or institutions if the applicant has relocated, purchased property, or made other commitments prior to the issuance of a Wisconsin credential. **We urge you not to make these moves until you know that your credential has been issued.**

Please "plan ahead" as we cannot speed up the credentialing process nor waive supporting documents even in emergency situations.
